Giving my best to Organizations with 100% effort.

---

## EXPERIENCE

### Junior Software Engineer

**Qeleo Technolabs**

**January 2022 - Present, Ahmedabad, Gujarat**

Qeleo TechnoLabs offers IT services, focusing on mobile tech for retail, eCommerce, and enterprise mobility.

- Developed custom applications using the .NET framework for increased functionality and enhanced the user experience within the organizations.
- Contributed to the development of scalable and maintainable.NET applications using:-  
C# & ASP.NET Core/MVC, JavaScript/jQuery, Ajax, CSS/Bootstrap and SQL Server, Web API/REST.
- Collaborated with cross-functional teams to design & develop, appealing and user-friendly interfaces that facilitated seamless navigation for end-users.
- Increased system stability through rigorous debugging and troubleshooting of complex issues within the .NET framework.
- Developed reusable code libraries/components that expedited development time for future projects by providing ready-to-use resources.
- Conducted thorough testing to identify bugs and ensure optimal functionality before deploying web applications into production environments.
- Contributed to innovative solutions with thoughtful problem-solving techniques & completed products within the project deadline.
- Utilized modern front-end frameworks such as React or Angular to create modular, scalable UI components

### Web Developer Intern

**InfoLabz IT Services Pvt. Ltd**

**May 2021 - July 2021, Ahmedabad, Gujarat**

- Wrote custom HTML and JavaScript for existing websites.
- Developed user interfaces with modern JavaScript frameworks, HTML5, and CSS3.
- Developed interactive prototypes using HTML, CSS, JavaScript, and jQuery for client presentations and feedback sessions.
- Studied user requirements to gain a strong understanding of project initiatives and deadlines.
- Followed best practices for software development and web security

---

## PROJECTS

### Educsion Resources Management System

[eduresource.ml/](https://eduresource.ml/) • January 2021 - March 2021

- **Features:** The product enables direct resource sharing between both end users and organizations with their own dashboard support, & it ensures the supply of all educational resources on timely, cost-free, and commission-free access without third-party involvement.
- **Github:-** <https://github.com/Devdeepsinh0591/Education-Resource-Sharing-System>
- **Category:-** Personal
- Engineered a comprehensive Education Resources Management System using the .NET framework, facilitating seamless resource sharing with integrated APIs and reusable plugins, enhancing accessibility for educational organizations.

### Portfolio Website

[devdeepsinh0591.github.io/Portfolio-Devdeepsinh-Jadeja/](https://devdeepsinh0591.github.io/Portfolio-Devdeepsinh-Jadeja/) • May 2021 - July 2021

- **Features:-** It's a Personal Portfolio website with all the required information.
- **GitHub:-** <https://github.com/Devdeepsinh0591/Portfolio-Devdeepsinh-Jadeja/>
- **Category:-** Personal
- Engineered a dynamic portfolio website utilizing HTML, CSS, JavaScript/jQuery, Ajax, and MySQL that showcased professional achievements and skills, with integrated APIs to enhance visitor interaction and data retrieval efficiency.

### Covid Cases Tracker

GIT Institute ORG Project

- **Github:-** <https://github.com/Devdeepsinh0591/Covid-cases-tracker>
  - **Features:-** Engineered an automated Covid Cases Tracker web app utilizing React that delivered real-time state-wise Covid statistics in India, resulting in a 40% increase in user engagement and enhancing public information access through intuitive data visualization.
-

## EDUCATION

---

### Bachelor Of Engineering

Minor in Computer Engineering • Gujarat Technological University • Ahmedabad, Gujarat • 2022 • CGPA:- 8.06  
• Graduation with Distinction

### High School

Minor in Mathematics • Gujarat Secondary & Higher Secondary Education Board • Ahmedabad, Gujarat, India • 2018

---
